HYLAND

Canada.

Sunday, 24 March, 1968

Mr. Floyd C. Hyland,
Box 126
Hackensack, Minnesota. 56452.

Dear Mr. Hyland:

At last, here is an answer to your letter of 19th Feb., 1967 (or was it 8?). This is wrong. It should have been 20 Feb., 1968.

To begin, please let me say that I am sorry that you did not mention, or supply me with the details of the five items on a John Hyland, dated 1838 to 1840 inclusive, in Kingston Township. I say that this township lies next door to Bath, and I might have had a very good lead if I had known what these items said.

I may say that Hyland has been a name found in many places in this region. One such was a George Hyland, now dead, who was a patient of mine for several years, living two miles east of me. He was a native of Cork, Ireland, who came to Canada following the first Great War. I knew Hylands as a young man, in the township north of Kingston Township. Since then, they have gone I know not where.

However, I have spent a good deal of time looking for Hyland notes where I thought they might belong to your breed of cats. These features I have reviewed:

1. Church records of marriages and births in Brockville, Ontario, from 1812 to 1841.
2. Pioneer Life on the Bay of Quinte, published in 1904. This is a record of many families in this immediate area.
3. Cemetery Records, incomplete, of the Kingston-Bath area.
4. Directory of Kingston and Area, 1857.
5. Records of the Central New York Genealogical Society. I belonged to this Society for two, or three, years, about 1960. I found a good deal of help from my association with them. You might also get help from them. I suggest that you try it. Their headquarters is in Syracuse, New York.

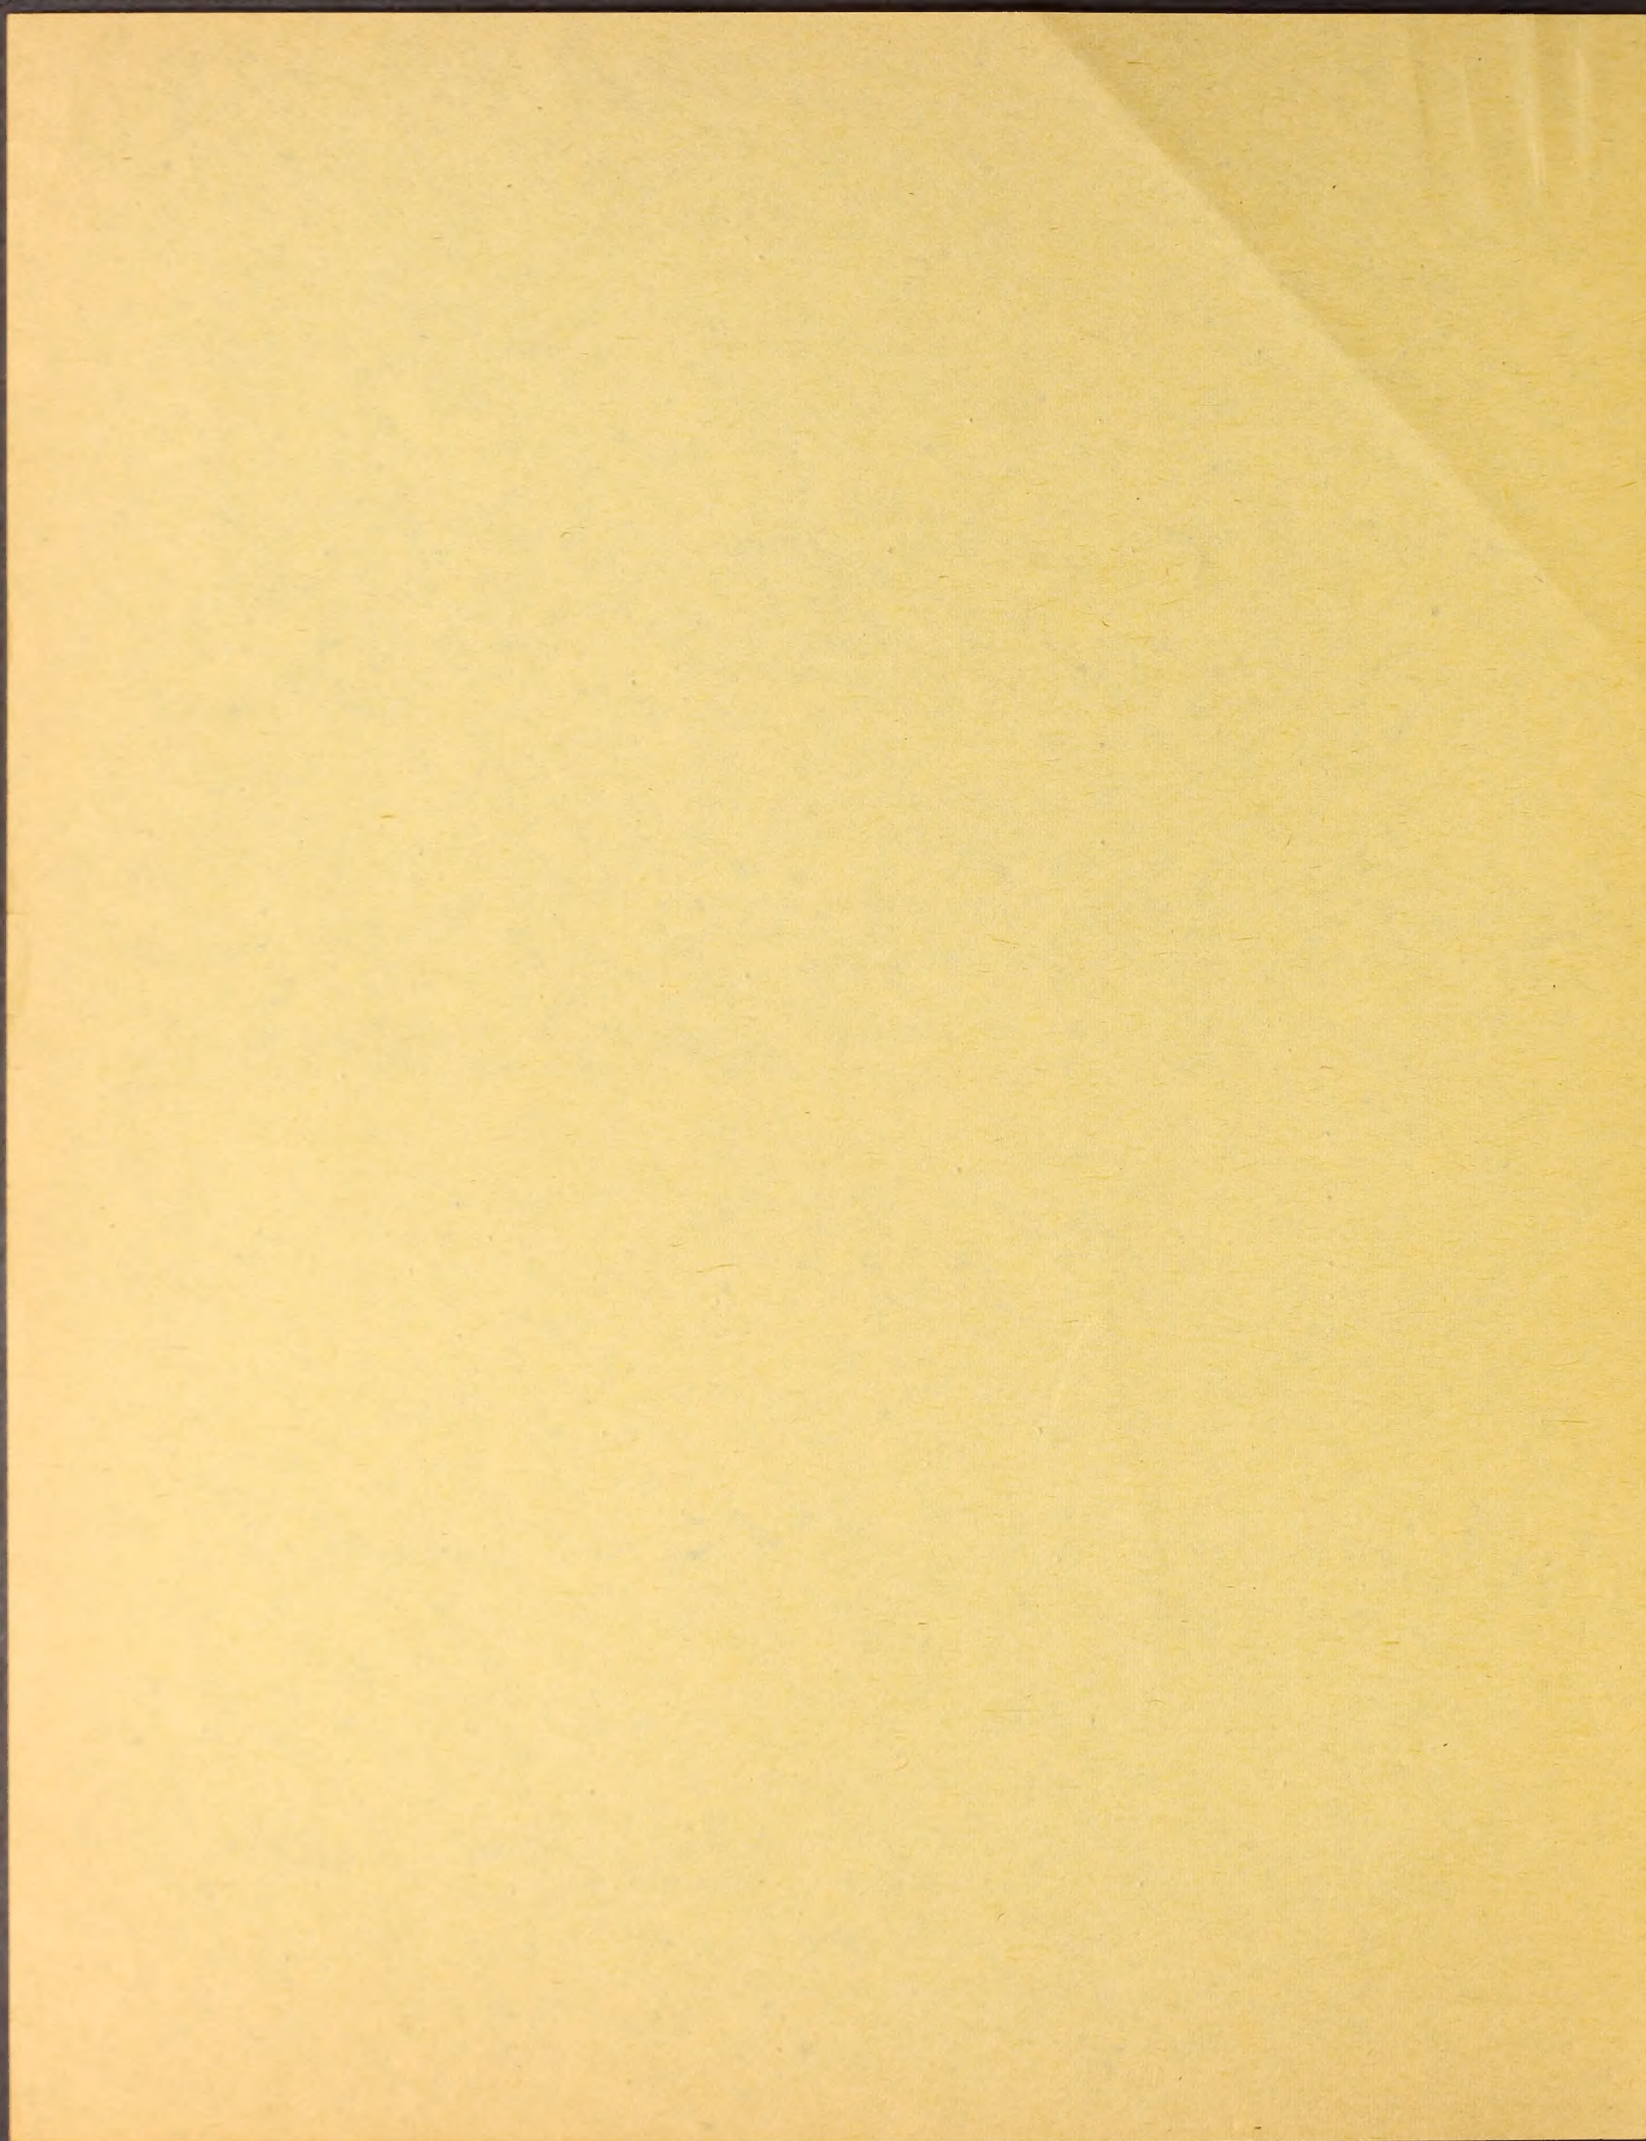

From all this, I came up with two items which would appear to belong to your family. You will find them on the attached page, with notes by me.

The only other easy thing to do which might produce some thing is a review of the census of Brockville in 1851. John Hyland might still have been living there. These records are in the Public Archives, Ottawa, Ont. They will not search these for you. I usually hire a woman in Ottawa. She charges \$2.00 an hour, and the search might total \$10.00

Search should also be made in Yates County, New York, for 1850, 1860 and 1870. This might turn up something definite.

As you might suspect, I have earned your Ten dollars.

Yours sincerely

HYLAND FAMILY.

Records of the Central New York Genealogical Society.

Tree Talks are reproductions of many items of a Genealogical nature, such as census records, baptisms, burials, marriages, etc., etc. These appeared in the many volumes of Tree Talks. These I reviewed for any mention of Hyland. I found this one, which is very likely the John Hyland for whom you have searched. Volume 4, number 1, March, 1964, has this:

Immigration, Naturalization.

Abstracts from Aliens' Declaration of Intention to Become Citizens, and other Naturalization Proceedings.

Hyland, John, native of Queens County, Ireland.

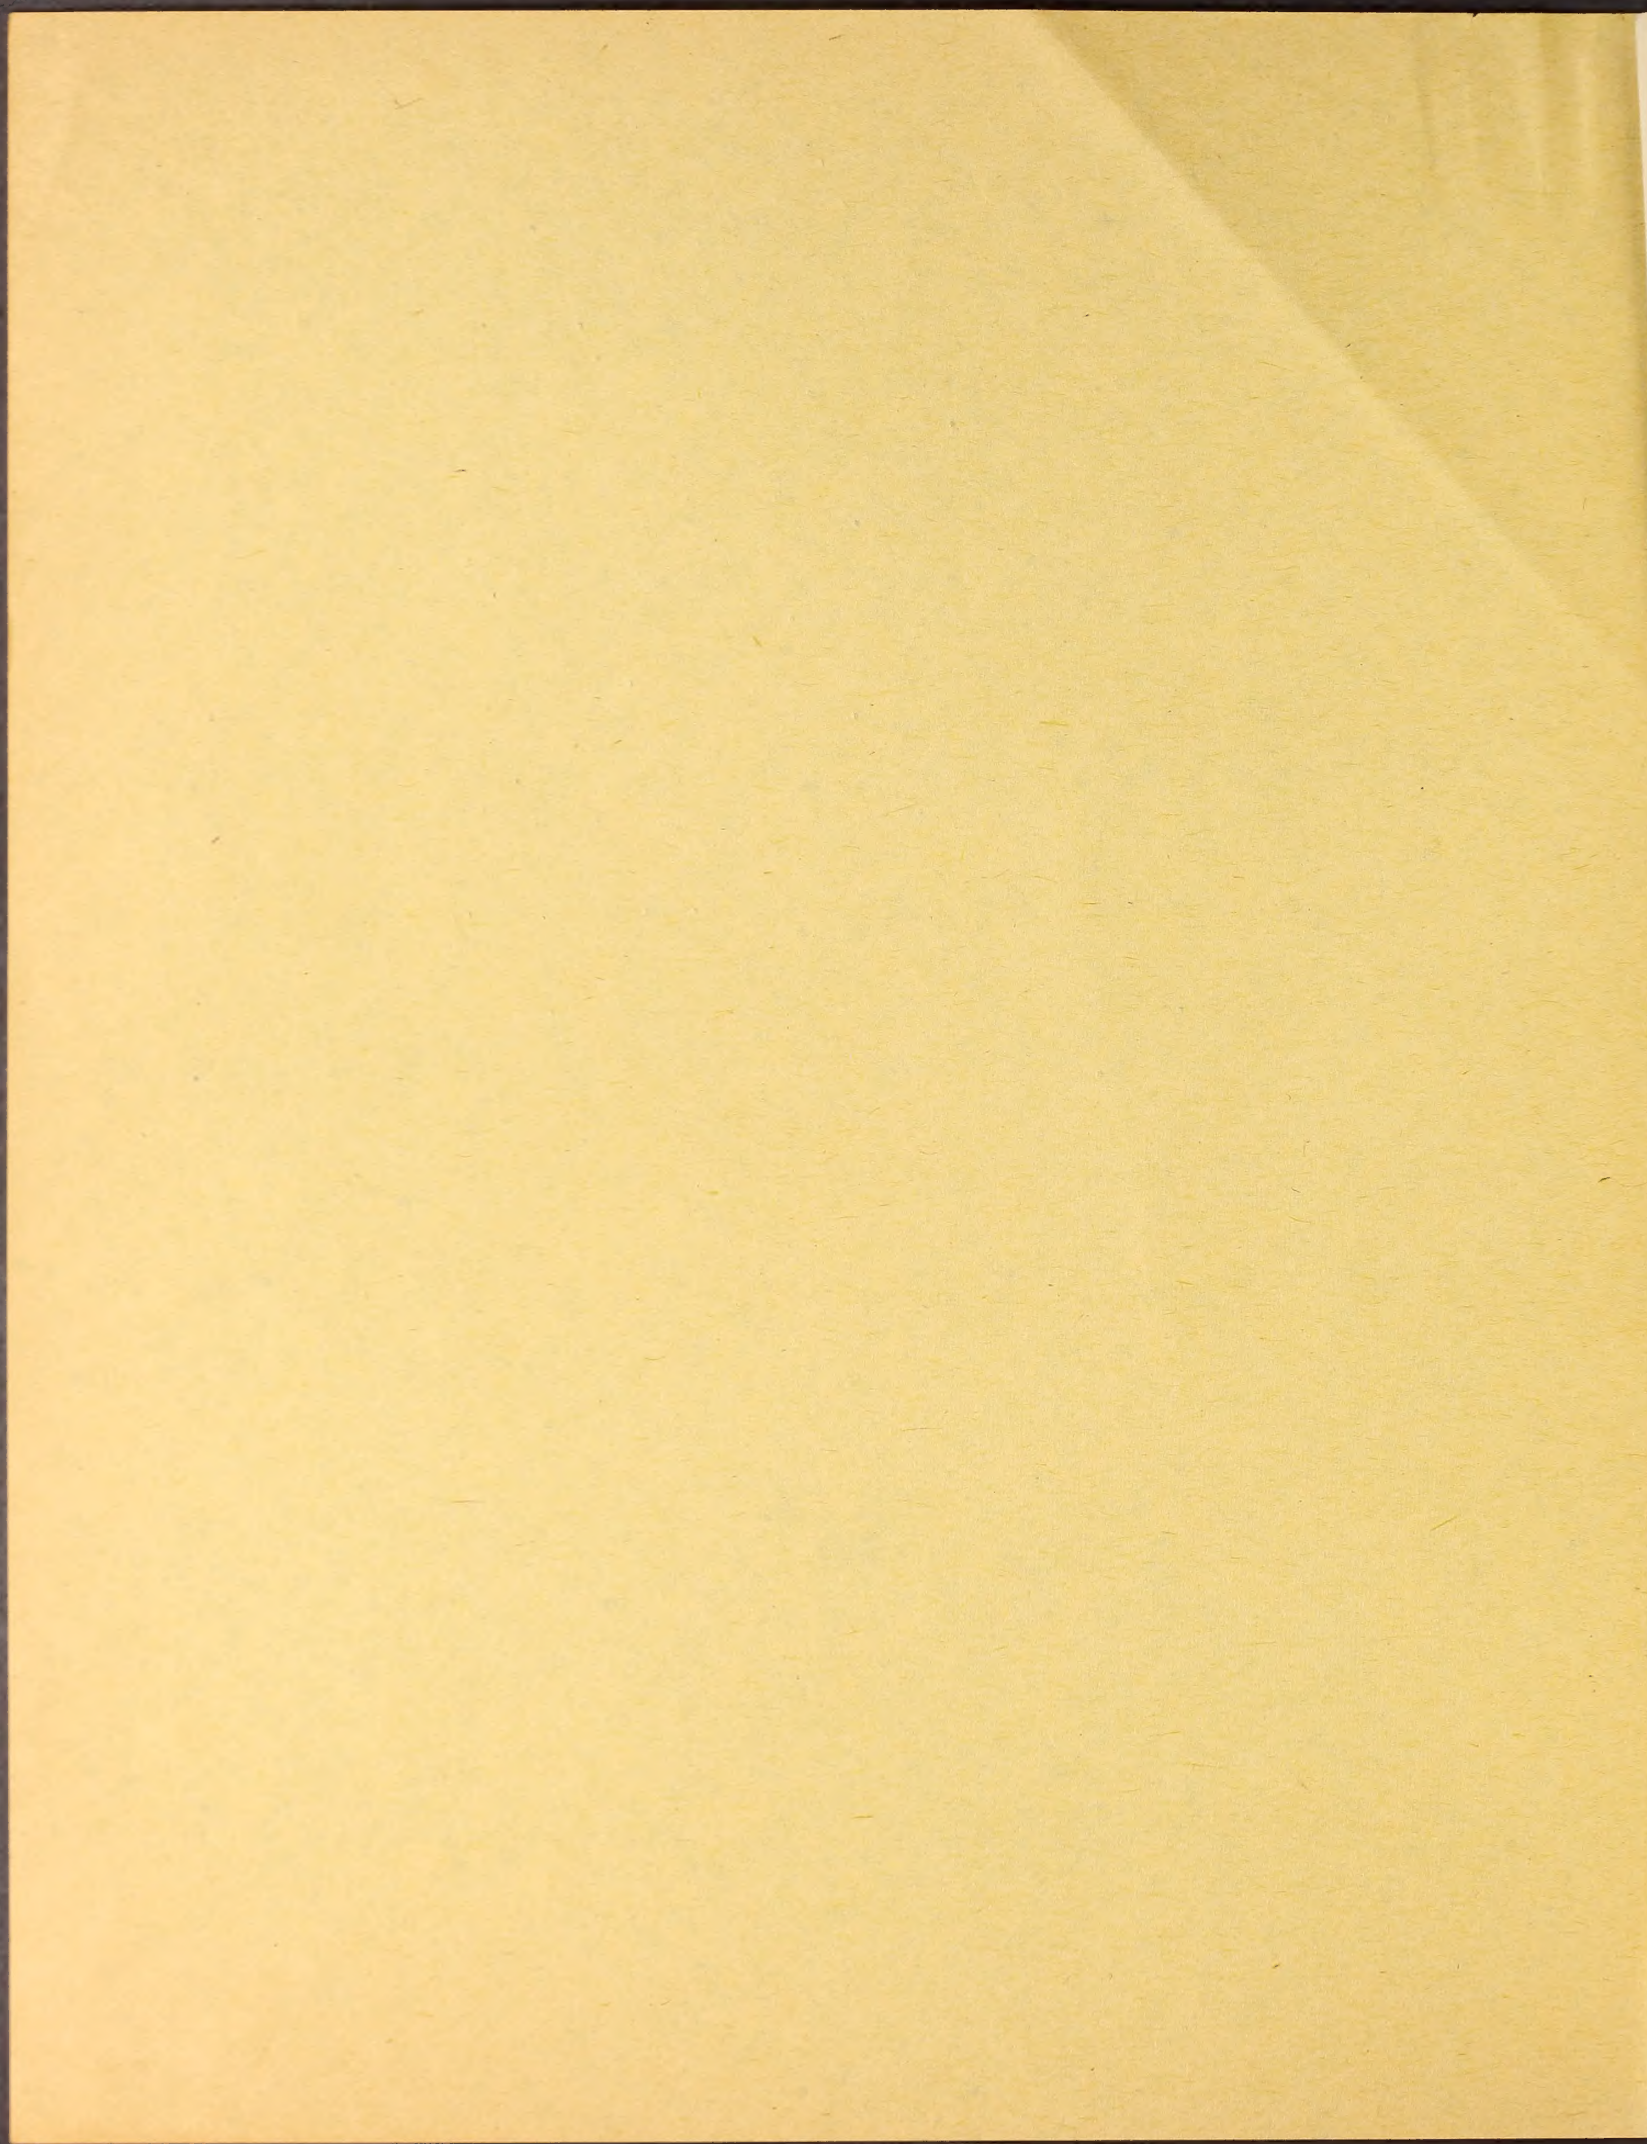

Declaration of Intention, Aug. 24, 1855, Milo, Yates County, New York.

(Yates County is south east of Rochester, New York. Its County Town is Perm Yan, New York.)

A Register of the Sons and Daughters of U. E. Loyalists.

Jacob Woodcock, son of Abraham Woodcock, a Loyalist, was born in 1814 and died in 1894. He married Jane Hyland by April, 1834. He was listed as living in Loughborough Township (immediately north of Kingston) in 1834. He later removed to Whitelarch Township (near Toronto).

(This Jane might have been a sister of John Hyland. The five items which you referred to in Kingston Township might have given me a clue.)

Dear Sir -

I have been refered to you, by the
Deputy Registrar, at Kingston, Ont.

I am trying to find where my father was
born. Am reasonably certain that he was born
in Canada. I have information from the National
Archives of Canada, that the surname Hyland did
exist in Canada. But I can find no records to
connect my father to this family.

What are your charges for your service in
such matters?

Thanking you in advance for your kind
consideration. I beg to remain,

Yours truly

Floyd C. Hyland

Dr. H. C. Beerleigh,
Bath, Ontario, Canada

Dear Sir,

About a year ago, I wrote to you for an estimation on research, at that time, I did not have enough information, of value for you. Since then, I have obtained a little more.

First I will tell you that I am trying to find the birth place of my father, for a dual purpose, to obtain a delayed Certificate of my Birth, and then trace my Pedigree. Both of my parents died, when I was small. All of the family records was destroyed in a fire in about 1910 or 1911.

One of my problems, is to identify my grandparents, as you can see from the following, I will start with the Death Certificate of my father John Hyland.

John Hyland, died Sept. 13, 1913, at Wakeeney, Kansas,
date of birth, 14, July, 1848, New York?
name of father, John Hyland Sr. born New York?
name of mother, Betsy Viola Bates, born New York
Informant, Mrs Mary Hyland. (my Mother)

(My father homesteaded in Trego Co Kansas in 1895.
married in 1898 to Mary E. Srinwood)

Mar. 1st Pres. Ch Oswege 1832-1870
Smart Boochoull 1812-1841

I am hoping you can document, either my father or Uncle, to the John S. Hyland of Canada, in the event this happens, I will need your assistance for earlier research.

I have inclosed a money order for \$100.00, as the amount you suggested.

Thanking you in advance for your assistance I wish to remain

Yours truly

The following is hearsay. About My father John Hyland

May have attended a Medical School.

(I have three letters from people who know him, they praise him on his Doctoring. But he preferred Farming to the Profession)

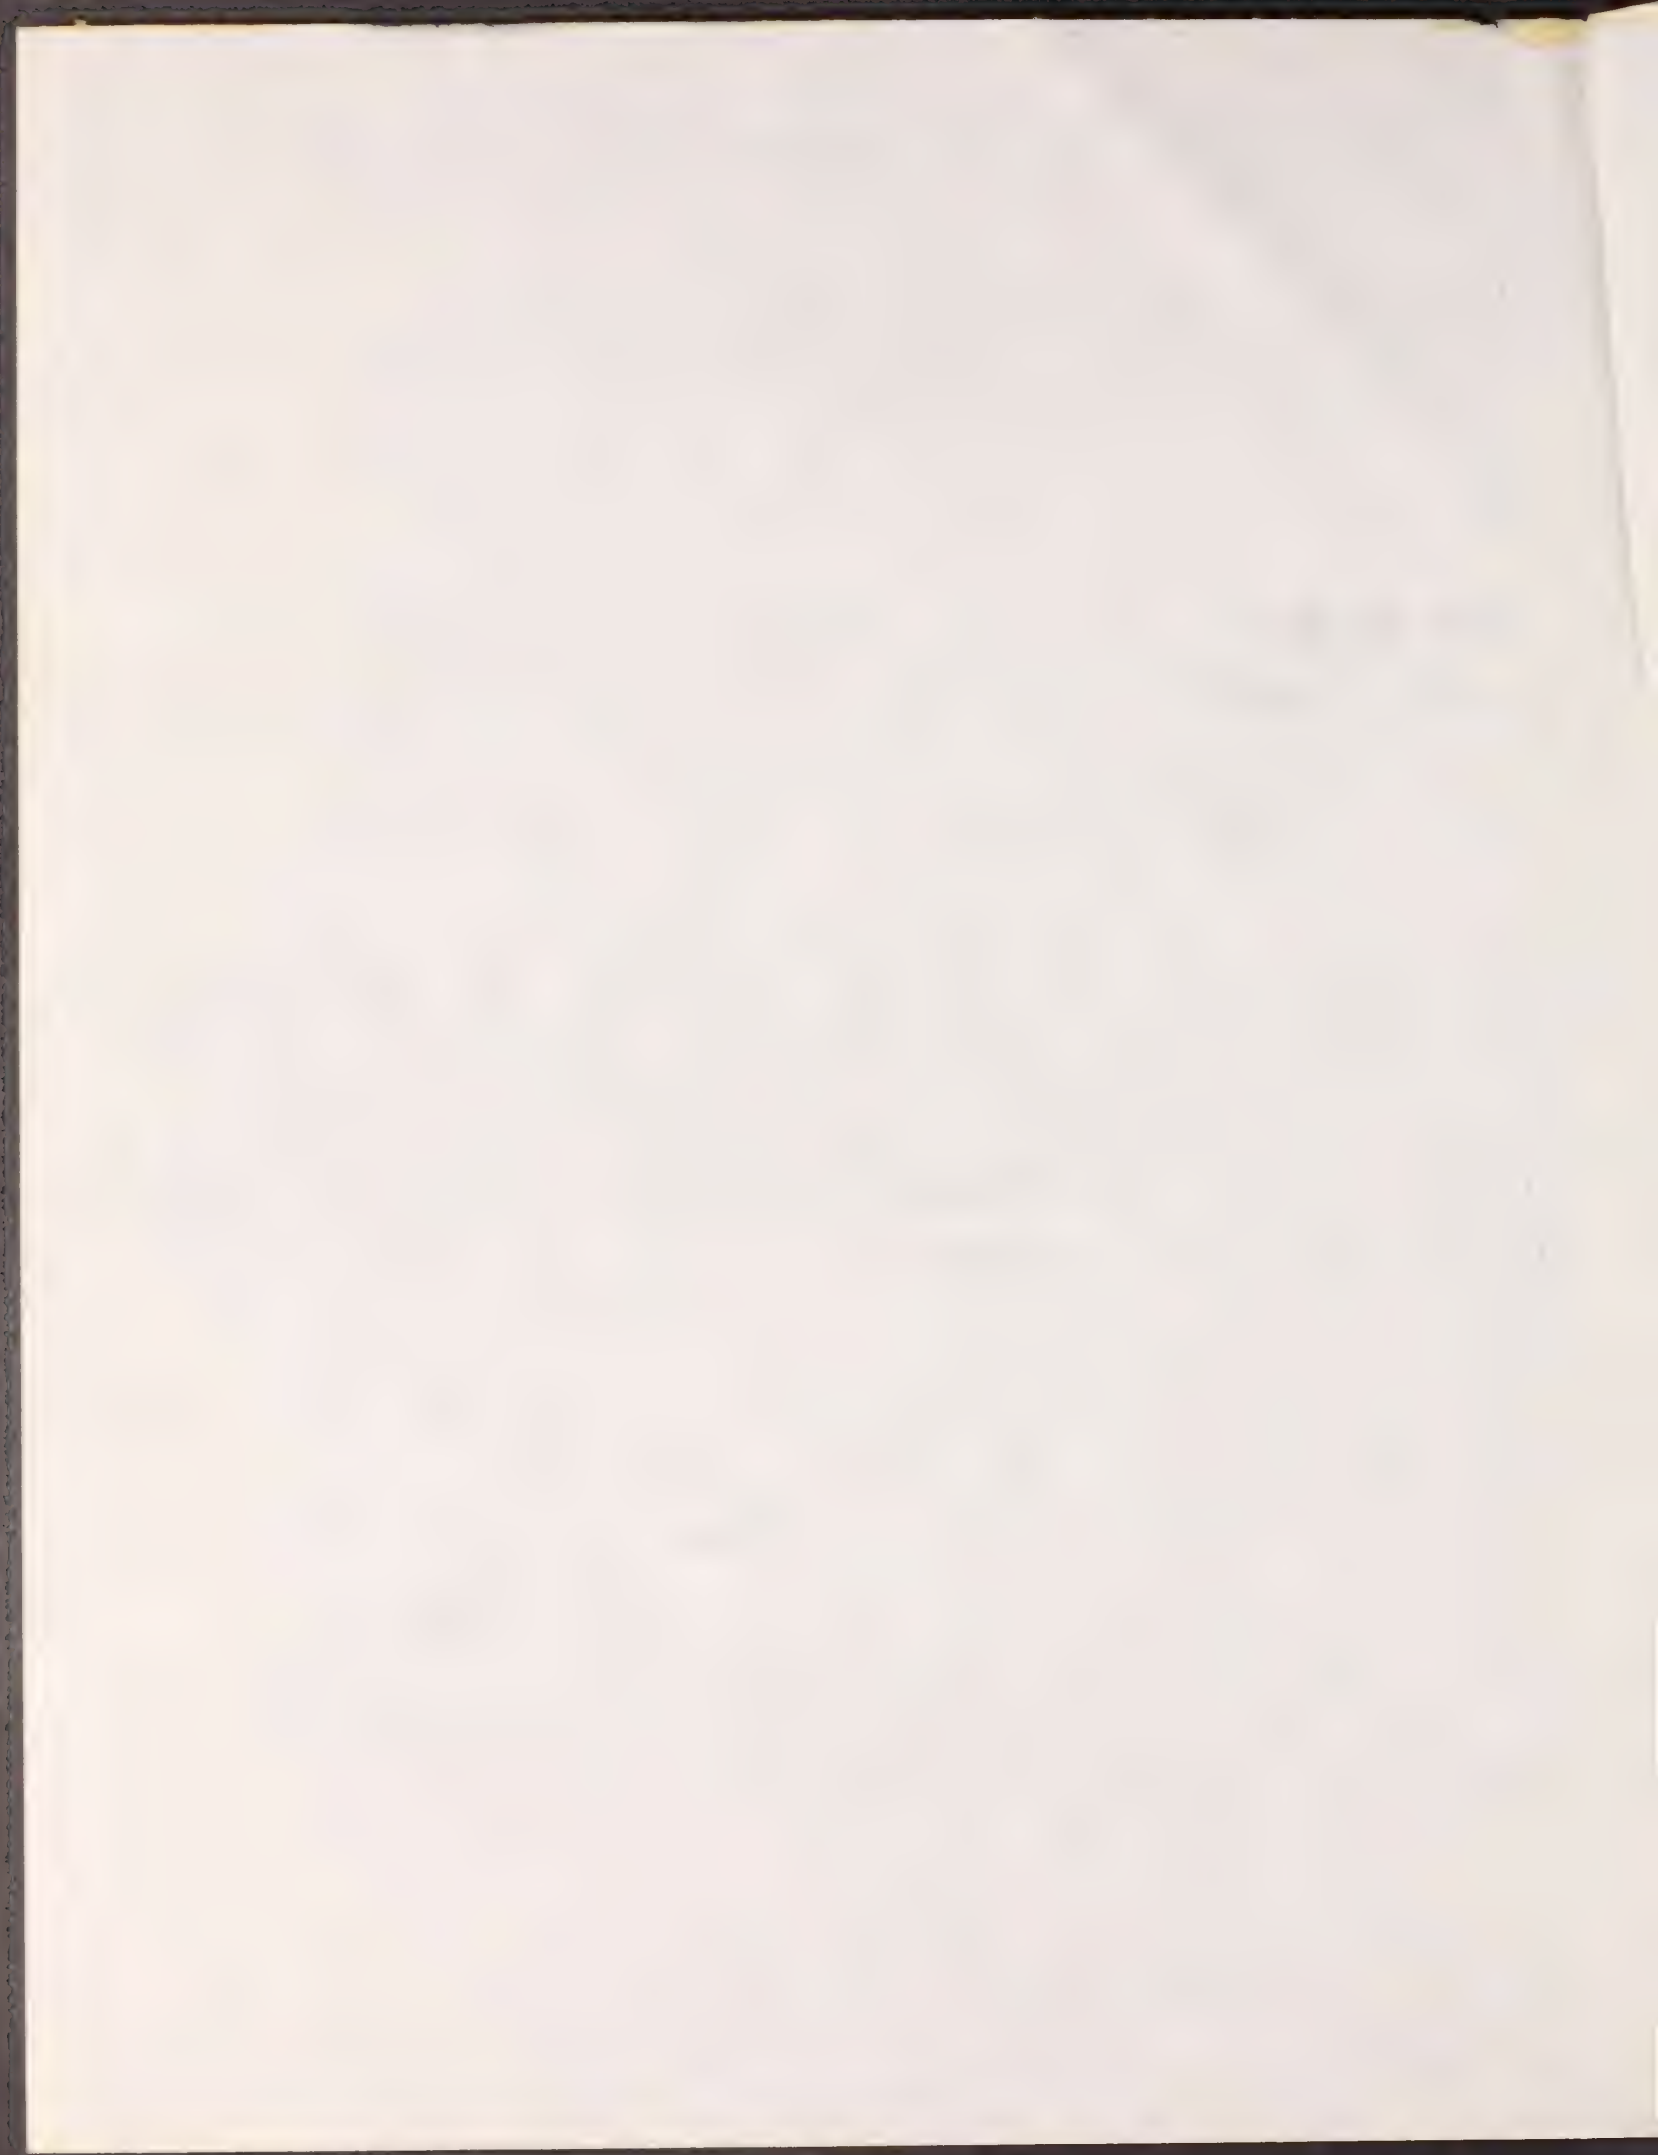

Was married previous to 1898 (when he married my mother) There were two girls born to this marriage. (no dates, names or places)

Had an other brother and one sister.

I have written to Mr. O. J. Hyland, Burketon Station ^{RR. 3} Ont. who stated that a John Hyland, was on the deed to the land. And John Hyland was a merchant in Ashawa. This O. J. Hyland also stated he was a bachelor, ~~66~~ years old, and nearly blind. He gave his lineage as follows, "My father's name was Thomas, and his dad's name was William and Williams parents was Robert and Martha, Who purchased this farm in 1850.

Dad had 2 Uncles, one William and the other George, who were never married and their ~~first~~ sister Aunt Jane kept house for them". This appears to me that O. J. Hyland, made a slight error. As there are too many William's.

I hope I have given you enough information for a start, and to know my main concern.

From the Death Certificate of my Uncle.

William Hyland, date of death. 10 Feb. 1916, Oswego, New York.

date of birth. 25, December, 1850, Brockville, Ont. Canada

name of father, George Hyland, born - Ireland

name of mother, — McVisney, born - Ireland

Informant Nora Hyland - wife.

I have documents from the Surrogate's Court of Oswego County, New York, that the above William Hyland was my uncle. As far as to the name of my Grandparents, I am more apt to believe my Mother's information. But that could be wrong.

From information from the Public Archives of Canada, I find reference to the following.

Five items on a John Hyland dated 1838 to 1840 inclusive, in Kingston Township, Ontario, Canada.

1. On a Petition dated ~~8 March~~ ^{31 May} 1847, by a, John Hyland, the Elder, for an amended patent for property, "Centre part of lot 15, Concession 5, Township of Whitby, Ont. containing 100 acres." (Record Group 1, L 3, Vol. 247, 25/88. Land Book, Record Group 1, L 1, Vol. 44, pages 598-599)

From Registry Office.

2. Centre part of Lot 15, Concession 5, East Whitby Township. Patented 24 September 1850, to one, John S. Hyland. On 3 August 1871, a conveyance from John S. Hyland to his son, George Hyland, of this and other lands.
